THIS SUMMER, TAKE THE SCENIC ROUTE

From sailing serenely down the Nile in Egypt, to tiger-tracking in the forests of Central India, it's time to make every journey as breathtaking as the destination. Our May edition showcases some of the best summer holiday destinations and road trips across Oberoi Hotels & Resorts.

AS EXOTIC AS IT GETS

Go scuba diving in the Red Sea at The Oberoi Beach Resort, Sahl Hasheesh. Then take a scenic drive through the desert to Luxor and embark on a Nile river cruise on The Oberoi Zahra and explore the wonders of Egypt's ancient civilisation.

Discover the Best of Egypt.

Watch the dawn gradually illuminate Old Delhi's historic streets, brighten Jaipur's rosy palaces, and kindle the Taj Mahal's timeless romance on the classic 'Golden Triangle' route. Extend your adventures to take in Mumbai's cinematic pulse, Ranthambhore's wild heart, or Udaipur's serene lakes.

Explore the Exotic Vaccation by Oberoi.

SOUNDTRACK YOUR SUMMER ROAD TRIP

Here are a couple of album recommendations to get your playlist going: 'Rumours' by Fleetwood Mac is a timeless companion for restless skies and sun-dappled turns alike, draping every mile in velvet harmonies and irresistible, road-worthy drama. If you're more inclined to country music, give 'At Folsom Prison' a listen, and let Johnny Cash's deep baritone turn tales of confinement into a memorable reminder of the freedom and beauty of the road unwinding ahead of you.

A TASTEFUL JOURNEY

Take a culinary tour through the storied alleyways and vibrant traditions of India's capital city. At Dhilli in The Oberoi, New Delhi, Michelin-starred Chef Vineet Bhatia, MBE masterfully reimagines the city's rich flavours into unforgettable, contemporary expressions.

STORIES FROM THE ROAD

With Mahika Madan, Concierge at The Oberoi Rajvilas, Jaipur.

"Just 30 minutes from the hotel, Naila Fort sits quietly above the hills, overlooking Jaipur in the distance. Tucked beyond the city where the Aravallis rise, it feels like a hidden treasure. Let us arrange a sunset drive with chai and savouries, a moment of stillness, far from the world below."
